Guidance notes on completing Form 2 of the Annual Governance and **Accountability Return 2022/23**

- Every smaller authority in England where the higher of gross income ${f or}$ gross expenditure was £25,000 or less **must**, after the end of each financial year, complete Form 2 of the Annual Governance and Accountability Return in accordance with *Proper Practices*, unless the authority:
 - a) does not meet the qualifying criteria for exemption; or
 - b) does not wish to certify itself as exempt
- 2. Smaller authorities where the higher of all gross annual income or gross annual expenditure does not exceed £25,000 and that meet the qualifying criteria as set out in the Certificate of Exemption are able to declare themselves exempt from sending the completed Annual Governance and Accountability Return to the external auditor for a limited assurance review provided the authority completes:
 - a) The Certificate of Exemption, page 3 and returns a copy of it to the external auditor either by email or by post (not both) no later than 30 June 2023. Failure to do so will result in reminder letter(s) for which the Authority will be charged £40 +VAT for each letter; and
 - b) The Annual Governance and Accountability Return (Form 2) which is made up of:

 - Annual Internal Audit Report (page 4) must be completed by the authority's internal auditor.
 Section 1 Annual Governance Statement (page 5) must be completed and approved by the authority.
 - Section 2 Accounting Statements (page 6) must be completed and approved by the authority. NOTE: Authorities certifying themselves as exempt SHOULD NOT send the completed Annual Governance and Accountability Return to the external auditor.
- 3. The authority must approve Section 1 Annual Governance Statement before approving Section 2 Accounting Statements and both must be approved and published on the authority website/webpage before 1 July 2023.

Publication Requirements

Smaller authorities must publish various documents on a publicly available website as required by the Accounts and Audit Regulations 2015, the Local Audit (Smaller Authorities) Regulations 2015 and the Transparency Code for Smaller Authorities. These include:

- Certificate of Exemption, page 3
- Annual Internal Audit Report 2022/23, page 4
- Section 1 Annual Governance Statement 2022/23, page 5
- Section 2 Accounting Statements 2022/23, page 6
- Analysis of variances
- Bank reconciliation
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

Limited Assurance Review

Any smaller authority may request a limited assurance review. If so, the authority should not certify itself as exempt or complete the Certificate of Exemption. Instead it should complete Form 3 of the AGAR 2022/23 and return it to the external auditor together with the supporting documentation requested by the external auditor. The cost to the authority for the review will be £210 +VAT.

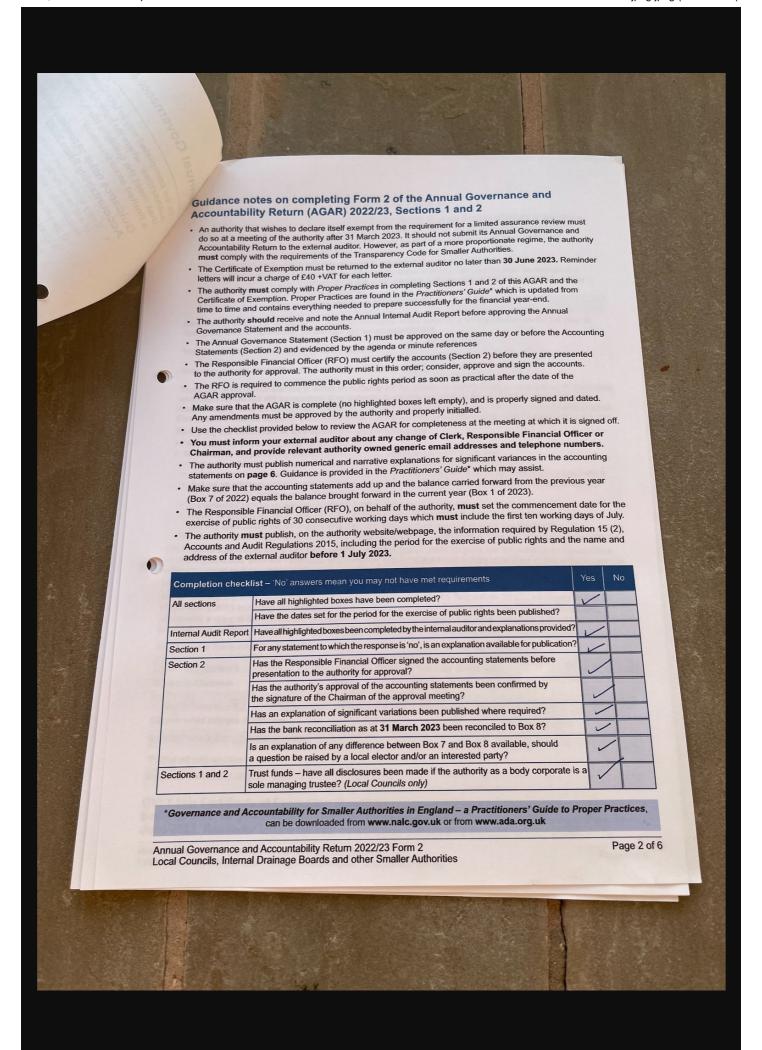

Provided that the authority certifies itself as exempt, and completes and publishes the documents listed under 'Publication Requirements', there is no requirement for the authority to have a review.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.
